In submitting for the consideration of the Chief Commr. copy of a letter No 114 dated 2nd Instant as also an extract from the proceedings of the Board at Chicknayakanhalli praying for the assignment of Octroi duties & collections in the Town of Chicknayakanhalli to the Municipality on the understanding that it will maintain its own Police Force I have the honor to recommend the application may be granted and the town Police transferred to the Municipality.

Submitted for favourable consideration.

The Municipality may be required to meet the cost plus remind Police and also of education and of Conservancy Establishment before finally sanctioning the proposal. It will be seen that the amount for the year 1873-74 was Rs 3,684 from which Rs 2,000 and there is a proposal also on the part of the Municipality for further augmentation of the establishment of Police on price of articles of food grains and a duty on cattle which are consumed in the station. It is therefore reasonable to suppose that the Octroi can be collected by the Municipality at the Municipal

Statement given of the Municipal Revenue that the average collections for the last 6 years amounts to Rupees 3059 and the cost of Town Police to Rs 9000. The strength of the latter may be increased under the organization of the Police now under contemplation. Any profit to the Municipality by the solicited transfer may be profitably utilized for a series of years in a proper water project for the Town including the provision of iron pipes or underground "Karanjees" in lieu of the present objectionable system of open channels, and running in parts of the Town in what are virtually sewage storm drains.

Resolution. The Board resolve that the Chief Commissioner may be moved to accord his sanction to make over the Inchabuja collections of the Town to the Municipality, as is done in Shimoga and other Towns on condition that the Municipality should bear the full cost of the Town Police This will enable the Municipality to combine together the two taxes which are

causing suppression and reducing any surplus
Revenue that may accrue in improving the
Town.

Sir

I have the honor to bring to your notice that hitherto the Town Police of Chickmagalore formed a part and parcel of the Taluk and and now that the regular new Police scheme is about to be introduced, I take this opportunity of recommending the transfer of the Town Police to the Chickmagalore Municipality by adding the Mohturfa collections within the Town to that Fund, a course which it is understood is followed in District Head Quarters elsewhere

may reasonably be borne by the Munici-
